Rescue. Restore. Redecorate. With Amy Howard at Home, you can rescue outdated furniture without the prep...no sanding or stipping needed. No top coat needed either as one coat does it all. Create incredible new looks on pieces you thought were done.

For the last 20 years Amy Howard Home has grown from leading the interior design market by restoring and building luxury home furnishings to providing makers with a distinguished class of artisan quality paint products and training. Ace is proud to offer our customers this incredible line. Find more information at the [Amy Howard at Home](#) website.
